

SAFEMA: EDUCATION HUBS FOR EXCELLENCE IN MIDWIFERY"

SafeMa Course is now launched

The SafeMa Course on Advanced Midwifery Practice is a postgraduate level course addressed to:

- midwifery, nursing and medical graduates
- or in-service midwives who wish to develop their skills further according to best international standards.

The aim of this online SafeMa midwifery postgraduate MOOC is to enhance women's access to quality midwifery services by strengthening the knowledge and reflection of the participant. The course is self-paced and interactive with reading materials, videos, and tests to further your professional reflection.
